Pink

I would like the cake to be a light blue color with a white draped "ribbon" around the top edge and a white border on the bottom as depicted in the "Primary Inspiration" photo. If you'd like, you can add flowers or make the ribbons thicker as depicted in the "Additional inspiration" photo. Please see the photo of the actual cake topper for color reference.

I would like for the cake balls to be blue and white. I am open to having some blue and some white with coordinating patterns as shown in the second and third photos. I have magic wands I could provide if it is possible to do them like the first and last examples. Please let me know so I can deliver to the store if this is a possibility!

# CUPCAKES

Quantity: 24  
Flavor: Vanilla Cake

I would like the cupcakes to be light blue with a swirly frosting style. If possible, I'd like white pearls sprinkled on top. Also, if possible, I'd like the cupcakes to be packaged in packages of 4.

# SNACKS

Each family will have its own pail with snacks in order to maintain social distancing. Since most people will be watching kids in the pool, we will only provide light “happy hour” snacks. For the adults we’ll have trailmix and popcorn. For the kids we’ll have princess-themed goldfish and fruitsnacks.

# DRINKS

We will provide waters and juiceboxes in the snack buckets for each family. Guests will be able to order beer, wine or white claws from the club by providing the code word “Fairy Godmother.” Each adult will get a custom coozie as a favor. Tables will have signs spelling this out.

Order a drink at the window using code word *pumpkin* and the Fairy Godmother will pick up the tab.

# INVITATIONS

Invitations will be paired with a royal decree to make sure guests practice social distancing and tied together with a ribbon and magic wand. Addresses will be silver foiled and have a rhinestone accent.

# POOL DECOR

Pool rings for the kids with their names on them will serve as decor and favors. I'll also have pink beach balls and maybe a ring shaped float.

# FAVORS

For favors, each family will receive a copy of the 1974 version of Cinderella. They will be wrapped in a cello bag with a ribbon and a tag. Each guest will also get a “minight kisses” favor bag with Hersheys Kisses and a mini glass slipper.
